

DANCE CITY CREATIVE SUMMER 2021

EASY READ OVERVIEW

Dance City

Dance City is a place where people, both amateur and professionals, go to socialise, learn new skills, keep fit and active, train professionally and find out more about dance.

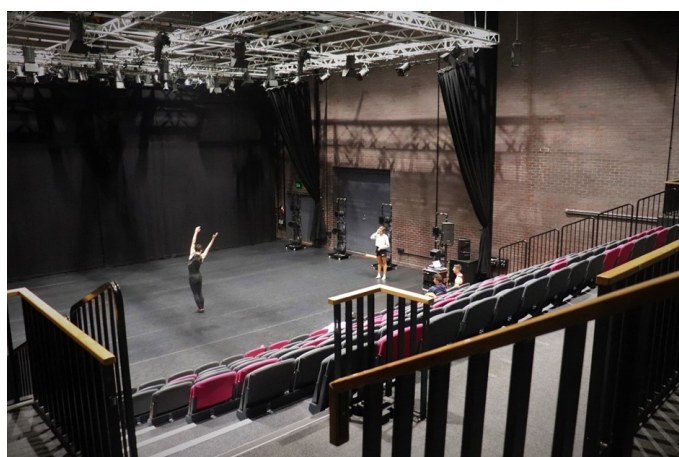

Established for over 30 years Dance City is the North East's leading development organisation for dance.

Dance City has two venues.

We have our purpose built dance house in Newcastle upon Tyne city centre.

We also have two studios based at The Fire Station in Sunderland city centre.

Our Creative Summer Residency programme will take place over 5 weeks across 6 purpose built studios and the theatre in our Newcastle venue.

As part of our Creative Summer residency programme, artists are invited to develop ideas and work for one week across July and August, Monday – Friday, 9am – 5pm, in one of our purpose built studios or Theatre.

On the Monday there will be a welcome breakfast meeting for artists and staff to get to know each other.

On the Friday you are invited to hold a 30 minute sharing where feedback from Programmers, Producers and audience can be received.

A facilitated feedback and networking session will conclude the Friday sharings to further develop conversations and relationships.

As part of our Creative Summer residency programme, we will also be hosting Creative Summer Lates.

Artists will be invited to work in the studios at Dance City from 6:00pm—8:30pm, from 27 until 29 July and 3 until 5 August.
